

P-04-546 Rearing of Animals in Unnatural Conditions – Petitioner to the Clerking Team, 07.01.15.

I support the ethos of the petition & have nothing more to add . I strongly oppose the rearing of any animal in the human food chain to be reared or husbanded in any " UNATURAL " way meaning all animal MUST be allowed to roam, graze & enjoy the sun's rays for least a minimum of 8 hours a day with enough space for all animals to move at their will . Thank you.

Regards,

Jeannii Colbourne.
