Dear Gareth

### Committee Inquiry into Bus and Community Transport Services in Wales

I understand that Enterprise and Business Committee is about to start an inquiry into bus service provision in Wales. As you may be aware, the Petitions Committee has received a number of petitions on this subject and has taken some evidence on the matter. You may wish to take this into account as part of the background for your Committee's inquiry.

Further information on the petitions, along with details of the Petitions Committee's consideration of them, can be found at the following hyperlinks:
